A photograph of a modern lounge interior. The space features a bar with a dark countertop and a backlit shelving unit displaying various bottles. Above the bar, large, horizontal, gold-colored pipes run across the ceiling. In the foreground, there are contemporary sofas, one in light blue and one in dark brown. The floor is made of light-colored wood. The overall aesthetic is industrial and sophisticated.

FOOD & BEVERAGE

At Arc Beverly, food and beverage are more than service—they are the heart of every gathering. Our in-house culinary team, alongside celebrated guest chefs, crafts menus that are seasonal, locally sourced, and plated with the precision of fine dining. Each course is curated to match the tone of your event, turning hospitality into a narrative your guests will remember.

We host an array of experiences—from intimate chef's table dinners and champagne-paired galas to wellness-forward brunches, high-profile press previews, and brand launch receptions. Every detail—menu design, beverage curation, and tablescape styling—is executed to elevate both flavor and atmosphere.

Our space has been trusted by industry leaders and cultural tastemakers including Goop, Cartier, Meta, Google, New Balance, and Warner Bros. Discovery, delivering events where every bite is an extension of the brand, and every guest leaves with a lasting impression.
